Important information for you and your child

The **Children Act 2004** introduced new ways to help and support children, young people and their families. These processes include

Information Sharing

Common Assessment Framework

Multi-agency Working

This leaflet helps to explain these processes to you. Ask us for more information.

Information Sharing

It is usual practice for workers supporting your child to talk to each other and share relevant information. We will also talk to you about your child so that we can all work **together**.

The government's Every Child Matters programme states that agencies need to work together better and identify support needed at the earliest stage possible. This should help to organise support much sooner for your child. If different agencies are working with your child, it makes sense for them to talk to each other. If you are worried about this or want to know more, please talk to us.

This is a **process** that helps to identify any support needs your child may have and **includes your thoughts and ideas**. This information can also be shared with others working with your child to save you explaining things over and over again. It will usually involve **one or two meetings with you** where a CAF form is completed. This assesses your child's individual circumstances and helps to identify any needs, prompting a discussion about how they may be met. **Ask staff at Edenthorpe Hall Academy to show you a CAF form so you can see what it involves.**

Common Assessment Framework (CAF)

If different agencies are working with you it's sometimes useful for you all to meet (at a place and time that is convenient and comfortable for you) so that a support plan for your child can be agreed.

This way everyone can keep up to date, here your views and work together better, keeping the focus on your child's needs. Sometimes a worker will agree to co-ordinate the support for your child - this is called the 'Lead Professional' role.

Multi-agency Working

Let's work together!

If any parent/carer has any concern about the safety of any child in school, there are people who can help.

Wendy Wheldon
Paul Cross
Lisa Williams

All these people are happy to help. If none are available, the staff in Reception will always offer support to contact the appropriate staff.
