Lunch menus

Next week will be WEEK 1

Some great assembly homework about our Paralympians in Rio.
Hannah Cockcroft, what a star and inspiration.

The children should be able to tell something about the Paralympic symbol and how it fits in with our work about RAMP!

After School Clubs

There are still spaces available on our Monday After School clubs. These are ICT and Multi sports for Key stage 2 (years 3,4,5 and 6) Please return the slip on the letters sent home or call in to the office if you would like your child to attend. The cost is £2 per sessions and runs from 3.30pm to 4.30pm

Eco Committee

Congratulations to our children who took part in the "What's' Under Your Feet" challenge. They participated in a National Bird Survey to see if there is any link between what birds eat and the decline in some British bird species.

This information may prove to be very important for future planning in addressing this big issue!

Their results will be collated and published in a scientific paper. We wait to see what the report says!

Did you know...if you lined up all the Earthworms that have been counted so far, they'd measure the same length as 19 double decker buses?

Have a great weekend

Wendy Wheldon
